SUPPLEMENTAL RESPONSE

This supplemental response is being filed in further response to the first Official Action in this case mailed November 10, 2003. Since the original response was filed within the three-month shortened statutory period set for reply on February 10, 2004, Applicants believe that no extension of time is required. However, Applicants conditionally petition for an extension of time to provide for the possibility that the need for such a petition has been inadvertently overlooked. Please charge Deposit Account No. 19-1346 for any required fee.
